Lettering Kits and Replenishment Decals

Scotchlite 5000 Reflective Lettering System

Convenient and easy to use, letters and numbers are self-spacing, with self-sticking adhesive. Highly visible characters stand out at wide angles and remain visible in wet weather. Using the Scotchlite reflective system proven in millions of highway applications, the 5000 lettering systems offers long-term durability. Numbers are black on yellow background, 25.4 mm x 38.1 mm (l" x 1-1/2"). Each kit contains 25 each A–Z, 0–9, blank and dash characters, packaged in a clear, 36-compartment box, including an application tool.
