

E-CONNECT WITH **FSR**

**The
Smart-Way
Raceway can do it all
including traveling up
stairs!**

FSR's new Stair Riser is a perfect solution for amphitheaters, delivering power and data to rows of seats or bench-type tables. The Stair Riser device box is positioned under the theater seating, providing easy access to power. The Smart-Way Raceway routes power and data to where you need it most, no matter the obstacle.
