589402	MPTLP46	MOUNTING PLATE 400x600mm, 19mm	8424450185759

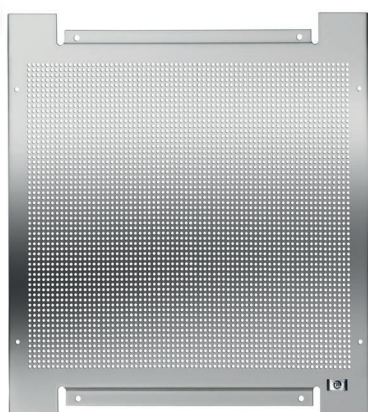

Metal mounting plate which allows easy fixing of multiswitches, amplifiers and earthing components. The mounted component metal plate and earth connection, have equipotential bonding so, **it is not necessary to mount them separately.** The plate has a **recess** which separates it from the wall.

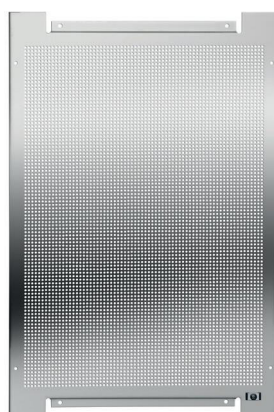

- Terminal for **equipotential bonding.**
- **1.5 mm thickness.**
- **3mm fixing holes** for plate screws.
- **6mm fixing holes** for mounting to the wall.
